Premier Higgs Wants to Hear from You!

Description

Do Not Let This Go!

Listen to the video below. Mr. Higgs stated that no one should be denied a job or promotion to a job on the basis of language. He wants to know if that is happening. Fourteen Anglophone paramedic's recently wrote in a letter to the media stating it in fact had happened to them.

We want to know, if you know of someone who has been denied a job or promotion due to language. Please email us at anglophonerights@mail.com.

You should also let the premier read it at premier@gnb.ca because he clearly stated he wants to know!
