

Public Information Session – Miramichi, NB

Description

[ecwd id="150? type="full" page_items="5? event_search="yes" display="full" displays="full,list,week,day" filters=""]

We will be addressing the issues that are currently affecting Anglophones in the province including barriers to employment due to the increasing number of jobs requiring both languages, the failure of French Immersion, and the costs associated to duality.
