Description

IS THERE A FUTURE FOR OUR ANGLOPHONE YOUTH IN NEW BRUNSWICK?

Increasingly NO!

Our research shows that we are being shut out of the job market at an alarming rate because of the failure of French immersion while at the same time the Liberal Government is mandating more and more jobs designated as bilingual. 85% of Anglophones are NOT bilingual and therefore not eligible to apply.

It is time for us to work together for a fair solution for all New Brunswickers.
